## Land zone announcement Friday 18 May 2012

Release Date: 18 May 2012

Canterbury Earthquake Recovery Minister Gerry Brownlee announced today land zoning decisions for residential properties in Southshore, Parklands, and the Port Hills.

### Summary of land zoning announcement

- **Southshore properties:** 198 of the 401 properties in Southshore West closest to the estuary have been zoned red. The remaining 203 properties in Southshore West have been zoned green. [More information »](#)
- **421 Port Hills properties zoned green.** [More information »](#)
- **Parklands East stays green TC3.** [More information »](#)

### "My Property" updated
